AVEENOO, OZRAYNOO -- OUR FATHER, OUR GUIDE:

We are grateful to live in a community that honors your command to help those who cannot help themselves.

Bless the efforts of all who have given of themselves tonight: the artisans, physicians, nurses, cooks, servers, cleaners & all who have worked to support the free clinic through their service or contributions.

We thank you for touching so many to do so much.

O God, continue to watch over these congregations - *Trinity Lutheran & B'nai Abraham*, especially during these stressful times.

May we all prosper so as to keep serving our neighbors.

To your holy work do we commit ourselves,

Amen.
